

**ARE YOU TIRED OF THE WINTER?  
You can't stand the cold and stress anymore?  
HERE IS THE ANSWER!**

**Move to Tenerife from October to April**

**At Puerto de la Cruz you find 18 to 25 degrees celsius  
THROUGHOUT THE WINTER!**

We are in a real world where the privileged **SPRING CLIMATE** embraces **ALL THE WINTER MONTHS**. Tenerife boasts all the magic of an archipelago is unique in the world, but with some important features for those who will not give up the habits and European-style service.

**TENERIFE: WHEN AND HOW...**

**FROM OCTOBER THROUGH APRIL:** when the autumn and winter temperatures drastically fall - the hot spring warmth in Tenerife is at home.

Our agency is able to offer a complete service:

- **APARTMENTS FOR RENT** (weekly, monthly, quarterly, for the duration you want).
- **HOME SERVICES TURNKEY** (we collect and bring you back to the airport, accompany you in the apartment, we provide solutions to all your needs).
- **CONSULTING SERVICES** (you'll always find someone who speaks English to present any problems there or to your other needs or interests).

**... AND WHY SHOULD YOU COME**

- A mild climate and year-round spring. Constant temperatures with an annual average of 22 ° C. The island of eternal spring.
- 3,000 hours of sunshine a year (and the European zone with the greatest amount of daylight hours).

- Sea, mountains (the measure Teide 3718 m), nature, parks and beaches, golf courses, town centers, swimming pools and more.
- Quality of life unparalleled, exceptional safety.
- During the holidays all European Union residents are entitled to free medical and hospital in the network of public health centers in Tenerife. Just the presentation of the European Health Insurance Card (obtainable from the ASL).
- Recreation centers, shops, supermarkets, hypermarkets, handicrafts. The pleasure of buying everything you want and also what you thought to find.

**And if you need more, call us!**

### **Take advantage of your pension in Tenerife**

In Tenerife you will live a different experience every day. Shopping in the capital, visit a museum or attend one of his shows are a few distinct possibility that there will be difficult to resist.

In February, you can attend the carnival, according to beauty and show only one in Rio de Janeiro.

There will be difficult to give up several theme parks designed for the enjoyment of young and old. Nevertheless, you have the impression that, in fact, the whole island is a large park with different environments and endless things to do: all this under the rule of Teide, the imposing volcano (the highest mountain of Spain) that acts as guardian to this island by the beauty mixed.
